

## ***GAW-related Meetings in 2009***

### **January/February**

- **AMS Annual Meeting**, 11-15 January, Phoenix, USA
- **GURME Shanghai project Scientific Steering Committee meeting**, 16 January, Phoenix, and 19 January, Boulder, USA
- **Joint GEOmon/IMECC meeting**, 26-30 January, Geneva, Switzerland ([website](#))
- **UV SAG Instrument Group**, tentatively 24 – 27 February, Lauder, New Zealand

### **March/April**

- **GAW meeting on NO<sub>x</sub>**, first half of the year
- **GCOS GRUAN**, 2-4 March, Oklahoma, USA
- **COST 728**, 5-8 March, Madrid, Spain ([website](#))
- **GAWTEC XVI**, 22 March – 4 April, Hohenpeissenberg/Zugspitze, Germany ([website](#))
- **World Meteorological Day**, 23 March, "Weather, climate and the air we breathe" ([website](#))
- **7th International Conference on Air Quality – Science and Application**, 23-27 March, Istanbul, Turkey ([website](#))
- **Swiss GAW**, 2 April, Zurich, Switzerland
- **EGU**, 19-24 April 2009, Vienna, Austria ([website](#))
- **11<sup>th</sup> International Conference on Atmospheric Sciences and Applications to Air Quality (ASAAQ)**, 21-23 April, Jinan, China ([website](#))
- **Meeting of GAW Scientific Advisory Group on Aerosols**, week of April 20 or 27 in Switzerland (held in conjunction with European Aerosols Network meeting)
- **GESAMP-36 annual meeting**, 27 April-1 May, Geneva, Switzerland
- **GEMS final assembly**, 31 March-4 April, Jülich, Germany ([website](#))

### **May**

- **World Data Centre Managers**, 4 May, Geneva, Switzerland
- **GAW 2009 Workshop**, 5-7 May, Geneva, Switzerland ([website](#))
- **JSC OPAG EPAC meeting**, 8 May, Geneva, Switzerland
- **IGACO Ozone theme meeting**, 11-13 May, Geneva, Switzerland ([website](#))
- **Mountains: energy, water and food for life. The SHARE project: understanding the impacts of climate change**, 27-28 May, Milan, Italy ([website](#))

### **June/July**

- **Observations of natural radioactive compounds used in climate studies**, 2-4 June, Vienna, Austria
- **TFMM**, 15-17 June, Paris, France ([website](#))
- **Joint TFHTAP and TFMM workshop on Regional-Global and Climate-Air Quality Linkages**, 17-19 June, Paris, France ([website](#))
- **WMO EC XVI**, 3-12 June, Geneva, Switzerland
- **SAG Ozone**, 29 June –3 July, Helsinki, Finland

### August/September

- **GURME Shanghai project air quality forecasting workshop**, tentatively September, Shanghai, China
- **WCC-3**, 31 August – 4 September, Geneva, Switzerland ([website](#))
- **WMO/IAEA Experts Workshop on Observations of Greenhouse Gases and Related Tracers**, 7-10 September, Jena, Germany ([website](#))
- **Fourth Intercomparison Campaign of the Regional Brewer Calibration Center-Europe (RBCC-E) in a Joint Intercomparison Campaign with the Regional Dobson Calibration Center-Europe (RDCC-E)**, “El Arenosillo”, Huelva, Spain, 7-17 September 2009 ([website](#))
- **WMO Scientific Advisory Group on GHGs**, 11 September 2009, Jena, Germany
- **8th International Carbon Dioxide Conference (ICDC8)**, 13-19 September 2009, Jena, Germany ([website](#))
- **12<sup>th</sup> Biennial WMO-GAW Brewer Users Group Meeting**, 20-26 September, Aosta, Italy, ([website](#))
- **NDACC Steering Committee meeting**, September, Geneva, Switzerland
- **IGAC Steering Committee**, 21-25 September (tentative), Kyoto, Japan

### October/November

- **MACC GRG subgroup meeting** (UFS Schneefernerhaus, Grainau, 6-8 October 2009)
- **A WMO/GAW Expert Workshop on Global Long-Term Measurements of NO<sub>x</sub>** (Hohenpeissenberg, Germany, 8-9 October, 2009)
- **Swiss GAW**, 29 October, Zurich, Switzerland
- **Dobson intercomparison for RA I**, 12-30 October, Irene, South Africa
- **WMO/UNEP ozone assessment meeting of authors and reviewers**, 17-19 November, near Washington DC, USA
- **Fifteenth Session of the WMO Commission for Atmospheric Sciences (CAS) with an associated technical workshop**, 16-25 November, Seoul, Korea.

**NOTICE:** *The above lists of meetings are informal ones and subject to change without notice. Although of interest to GAW, such meetings are not necessarily supported financially by WMO*
