

Overview of Day 1 and Introduction to Day 2

Alan Jenkins
Centre for Ecology & Hydrology

WMO OMM

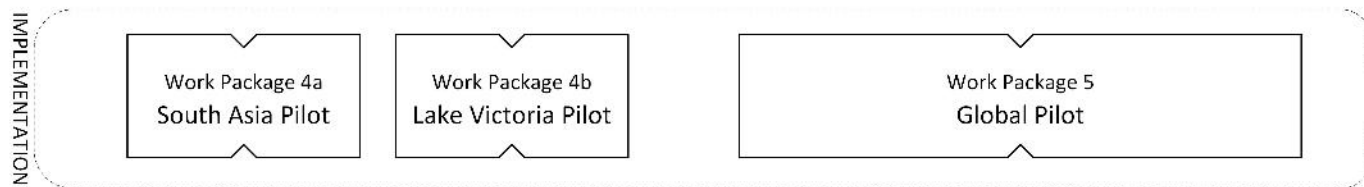

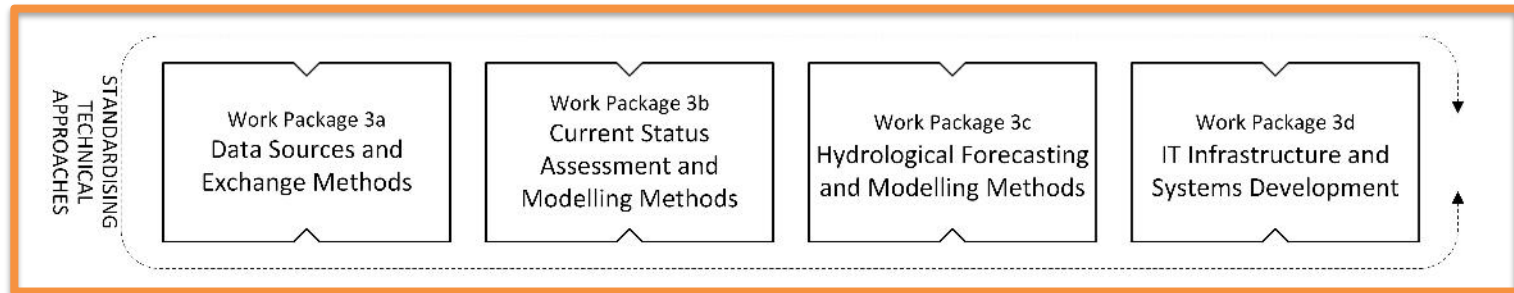

World Meteorological Organization

Organisation météorologique mondiale

Day 2 Focus

Work Package 1
Coordination

Work Package 2
Understanding User Needs and External Linkages

Work Package 6
Communication and Dissemination

Day 2 Breakout Sessions

- 09:15-10:45 Data Sources and Exchange Methods
- 11:15-12:45 Current Status Assessment and Modelling Methods
- 14:00-15:00 Hydrological Forecasts and Modelling Methods
- 16:00-17:30 IT Infrastructure and Systems Development

Each session consists of one 15 minute presentation in plenary followed by 60 minutes group discussion. There will then be 5 minutes for each group to report back in plenary.

Day 2 Aims

To establish for each technical Work Package:

- What information approaches currently exists for integration into the WMO HydroSOS?
- What is missing and needs further development?
- What activities should the pilot phase of the initiative concentrate on?
- Who here can help and/or who else may be needed?

Rapporteurs

Sessions 3 and 5

Group A	Group B	Group C
<ul style="list-style-type: none">• John Fenwick• Saiful Hossain• Omari Mwinjaka	<ul style="list-style-type: none">• Peter Mutai• Guna Paudyal• David Robertson	<ul style="list-style-type: none">• Andy Wood• Pradeep Mujumdar

Sessions 4 and 6

Group A	Group B	Group C
<ul style="list-style-type: none">• Sung Kim• Saud Amer• Christof Schneider	<ul style="list-style-type: none">• Nienke Ansems• Vincent Ssebuggwawo• Atul Kumar Sahai	<ul style="list-style-type: none">• Jose Alberto Zuniga• Christel Prudhomme• Sharad Jain

Guidelines for rapporteurs

- Please take electronic notes of key points of the discussions.
- Be concise to convey the important messages.
- Each group of rapporteurs will consist of three participants. For sessions 3, 4, 5, 6, A and B please choose one to facilitate (lead) the discussion and two to take electronic notes.
- For Session 7, one rapporteur of each group will present the outcomes of the discussions they were following while the other two will take electronic notes of any issue or discussion during this session

Thank you
