# Day 3 Focus

# Day 3 Parallel Sessions

- 09:50-11:20 What should HydroSOS aim to develop in the Pilot Projects?
- 11:50-13:20 Planning the Pilot Projects

*Each session consists of three parallel sessions:*

Meeting Rooms A: Global Assessments Pilot Project

Meeting Rooms B: Lake Victoria Pilot Project

Meeting Rooms C: South Asia Pilot Project

- 14:30-16:00 Feedback from Parallel Sessions

Rapporteur 20 min + 10 min discussion

# Day 3 Aims

To establish for each pilot project Work Package:

- What information approaches currently exists for integration into the WMO HydroSOS?
- What is missing and needs further development?
- What activities should the pilot phase of the initiative concentrate on?
- Who here can help and/or who else may be needed?

# Thank you
