

5. Expert Teams and rapporteurs reporting directly to the president and/or Management Group

5.2 Expert Team on the Guide to Climatological Practices (WMO-No. 100)

- (a) To follow on the results of the meeting of the Expert Team on the Guide to Climatological Practices (19-23 September 2005, Toulouse, France) to develop any outstanding text and to compile a full integrated draft text, including annexes, of the third edition of the Guide to Climatological Practices, within the timeframe agreed-upon (i.e. by mid-2006);
- (b) To consult with experts in NMHSs, regional associations and relevant bodies, as required, in development of the text, and to ensure regional balance in the examples used;
- (c) To work with the WMO Secretariat on matters of acquisition of high-quality illustrations and photographs, as needed; editing; peer review; CCI and WMO approvals; translation; graphics development and layout; publishing; and development of web-based selections from the final version;
- (d) To submit reports in accordance with timetables established by the CCI Management Group.
