

# Group 5 Expanding RCOF portfolios

J.P. Ceron, T. Turkington, D.S. Pai, E. Rodrigues, J. Smailagic, A.  
Hovespyan, M. Coughlan, P. Maquilón

# What is an RCOF?

Focus:

- Seasonal forecast (consensus)
- Brief discussion on climate monitoring and verification
- New indices, variables, etc. are not considered an extension
- In the end it is a discussion

# Extensions

1. Climate Monitoring
2. Verification
3. Climate Change
4. Sub seasonal
5. Extension to other season
6. Annual to multi-decadal
7. Remote climate anomalies
8. Impact based forecast
9. Demonstrate Value
10. Training
