Hi Jennifer

Would you mind updating the contact details for METAREA VI, as per Alicia's email below?

This is in addition to the changes I sent about the Peru contact details.

Thanks again for all your updates this year. I hope that you have a good Christmas and New Year.

Regards  
Neal Moodie  
Bureau of Meteorology

Hi Neal,

This is the mail that I sent for update .

best regards

Alicia

Estimated,

I would like to report a change in the address of the Argentina National Weather Service, as Metarea Coordinator.

The new Metarea coordinator contacts for WMO worldwide met-ocean information and warning service is the follow:

Metarea VI ARGENTINA

Alicia Guadalupe Cejas

Telephone: +54 -11 5167 6767 int 18903

[Av.Dorrego 4019](#) (C1425GBE)

Buenos Aires. Argentina

Best regards,

Alicia G. Cejas
